Support Costs But

45c

The cut gives the idea of its usefulness and illustrates the way it is worked. The leg fastens on the couch at the side, can be so easily adjusted that a child can manipulate it, and it will fit on all drop-side couches. When not in use folds up out of sight, and when in use drops to the floor, as shown, sustaining the couch perfectly.—Bed Store—Third Floor.

## Telephone Shopping

—is very satisfactory here. We have expert shoppers who are employed only to intelligently fill telephone orders. If you cannot come to the store Monday—call Main 7200—ask for shopping bureau—and let your wants be known.

## Every European Model Reproduced in Our TAILORED SUITS at \$29.75

It is no longer the woman of generous means who may buy what she likes in new suits. She of moderate means will find a revelation of beautiful and fashionable apparel at Kann's.

She will find that her purse is ample to buy her suits that bear every earmark of the foreign productions, because we have had made to our special order suits at \$29.75 that are exact copies of the best Paris, London and Berlin garments in every detail of fabric, lining and finish, and along lines to conform to the American figure.

MATERIALS include bedford cords, plain and two-toned whipcords, plain and pebbled chevots, broadcloths, men's wear worsteds and novelties. STYLES show wide variations, from the plain to the most elaborately trimmed, as well as the modish cutaway models, cutaways with vest effect and fancy cut backs.

Note the finish, the lines and the shapes; then you will know why women tell us every day that the same identical suits are selling elsewhere at \$50 and \$60. Every size is here, and our price is but. \$29.75

## A Great Host of Savings for the Housewife

25c Mercerized

Poplins, Yard, 19c

Just One of the Many Features Monday at the Wash

Goods Store

This material is especially suited for fall waists and dresses, because of its great washing and wearing qualities. Had the chance to close a mill's surplus—look advantage of it because we knew you could use them at a price. Has a highly mercerized finish and comes in all street and evening shades; also plenty of black. 25c is the usual price, but for this lot choice, yard. 19c

10c Chambray Ginghams, 7 1/2c

Thousands of yards, 27 inches wide, in the wanted checks, stripes and plaids; all good colorings.

Silk Stripe Voiles, 25c

A great collection of this popular fabric, some white, grounds with pink, blue and lavender stripes; also plain tinted grounds with silk stripes. Just the thing for fall party dresses.
